Introduction to Ohio workers' compensation

This session is designed for both private and public employers to summarize the fundamental principles of Ohio's workers' compensation system. It is especially beneficial to those new to the system as it provides an understanding of the roles and responsibilities of: the Bureau of Workers' Compensation (BWC), Industrial Commission (IC), Third Party Administrator (TPA) and Managed Care Organization (MCO).

Understanding your rate calculation (public and private)

This session explores all of the new methodologies being introduced by the Bureau of Workers' Compensation (BWC) with a focus on factors that drive your premiums. We will drill down to show how the BWC calculates an employer's premium rate and explain the individual steps that go into determining the experience modifier. We will show how an individual claim can impact the rate calculation and touch on some claims management strategies that can be employed to favorably impact the calculation.

Destination Excellence (public and private)

The Ohio Bureau of Workers' Compensation (BWC) Destination Excellence is a portfolio of programs that encourages employers to increase worker safety and reduce costs. The options include Administrative rebates, Safety Council rebates, an Industry Specific bonus, a Drug-Free Safety incentive and a Transitional Work Grant and bonus. This session will define the individual programs, outline the available discounts/rebates associated with each and navigate the requirements, as well as deadlines and compatibility with other BWC programs.

Return to work strategies

Lost time claims are the most expensive claims and statistics show that the longer your injured employee is away from work, the less likely it is that they will return in any capacity. We will identify the resources available to assist you in returning your injured employees to restricted and full duty, best practices for making an offer of transitional work, the Transitional Work Grant and Bonus Program, salary continuation and vocational rehabilitation.
