

Unemployment solutions

Client Education Program

2022 series

Sedgwick offers a free multiple part educational series on reducing unemployment costs. All sessions are webinar based and registration is required. Course descriptions, dates and times are listed below. All webinar times are EDT/EST.

Sessions

Claims strategies

Effectively managing unemployment claims matters directly impacts the bottom line. Learn how to increase claim win rates by focusing on what information is needed by workforce agencies to ensure decisions are made correctly.

Option 1	April 19	2:00 pm
Option 2	August 16	2:00 pm

Hearing strategies

Appeal hearings are complex and require first-hand witness participation. Learn about the hearing process and how to prepare witnesses or to be a witness. We will present several case studies and to provide real-world examples.

Option 1	May 3	2:00 pm
Option 2	October 18	2:00 pm

Advanced claim strategies

A continuation of our conversation on how to effectively manage unemployment claims and reduce costs. We will use feedback and questions from the previous courses to expand on how to work efficiently to reduce benefit charges.

Option 1	September 27	2:00 pm
----------	--------------	---------

Tax planning

Get ready for unemployment tax rate season. Learn about special savings opportunities like voluntary contributions and joint account planning along with how mergers, acquisitions and reorganizations create the need for specific expertise.

Option 1	November 15	2:00 pm
----------	-------------	---------
