

Client Education Program Workers' Compensation

A comprehensive webinar-based educational program offered to current clients covering a variety of topics within the workers' compensation industry.

2018 Series

Our workers' compensation educational series is designed to familiarize yourself with Ohio's workers' compensation system and show you how to maximize your program.

In addition to the sessions listed, special webinars may also be scheduled throughout 2018 on unique topics. All webinar times listed are est/edt and are approximately 60 minutes in length.

Please make sure we have your email address on file so you do not miss your opportunity to attend. Please call us at (800) 825-6755, option 3 or email us at customer.update@sedgwickcms.com to submit your email address or update current information. When new sessions are added, communications will be sent 3 weeks in advance of the session date via email.

Please note: Our client education program is intended as an educational opportunity for clients of CompManagement only unless otherwise communicated during the promotion, registration or confirmation of each topic. Ohio Bureau of Workers' Compensation (BWC) safety training requirements and/or continuing education units (CEUs) are only applicable for webinar sessions when specified in the description. Recorded webinars do not qualify for BWC training requirements or CEUs.

Workers' Compensation 101 - An Introduction to Ohio's Workers' Compensation System

This session designed for both private and public (cities, villages, counties, townships, schools, etc.) employers will provide a complete summary of the fundamental principles of Ohio's workers' compensation system. It is especially beneficial to those new to the system as it provides an understanding of the roles and responsibilities of the resources available to you: the Bureau of Workers' Compensation (BWC), Industrial Commission (IC), Third Party Administrator (TPA) and Managed Care Organization (MCO). We will also discuss post injury protocol as well as useful safety and accident prevention information. This session has been certified by the Ohio Bureau of Workers' Compensation for 1-hour of the 2-hour safety training requirement for group and group retrospective-rated employers. To be eligible, the attendee must remain in the webinar for at least 75% of the total time.

Public Employers:

Gaining a Better Understanding of the True Up Process

With the implementation of prospective billing completed, all public employers (villages, cities, counties, schools, water conservancies, libraries, townships, etc.) must complete the Bureau of Workers' Compensation (BWC) True-Up process. True-Up reports must be completed by all employers to reconcile the January 1, 2017 - December 31, 2017 actual payroll versus estimated payroll. This session will review the process, the report and the requirements for all public employers to aid in meeting the BWC's February 15, 2018 deadline for completing the report. This webinar has been certified by the Ohio Bureau of Workers' Compensation for 1-hour of the 2-hour safety training requirement for group and group retrospective-rated employers. To be eligible, the attendee must remain in the webinar for at least 75% of the total time.
