

# Client education program workers' compensation

A comprehensive webinar-based educational program offered to current clients covering a variety of topics within the workers' compensation industry.

## 2021 series

Our workers' compensation educational series is designed to familiarize yourself with Ohio's workers' compensation system and show you how to maximize your program.

In addition to the sessions listed, special webinars may also be scheduled throughout 2021 on unique topics. All webinar times listed are est/edt and are approximately 60 minutes in length.

Please make sure we have your email address on file so you do not miss your opportunity to attend. Please call us at 800.825.6755, option 3 or email us at [customer.update@sedgwick.com](mailto:customer.update@sedgwick.com) to submit your email address or update current information. When new sessions are added, communications will be sent 3 weeks in advance of the session date via email.

**Please note:** Our client education program is intended as an educational opportunity for clients of Sedgwick only unless otherwise communicated during the promotion, registration or confirmation of each topic. Recorded webinars do not qualify for BWC training requirements. All sessions have been certified by the Ohio Bureau of Workers' Compensation for 1-hour of the 2-hour safety training requirement for group and group retrospective-rated employers. To be eligible, the attendee must remain in the webinar for at least 75% of the total time.

Option 2	June 24	2:00 pm
Option 3	August 24	10:00 am
Option 4	December 7	10:00 am

## Understanding your rate calculation and the factors that drive your cost

With a focus on what factors drive your premiums, this session will drill down to show how the Bureau of Workers' Compensation (BWC) calculates an employer's premium rate and explain the individual steps that go into determining the experience modifier. We will show how an individual claim can impact the rate calculation and touch on some claims management strategies that can be employed to favorably impact the calculation.

PRIVATE EMPLOYERS		
Option 1	May 18	10:00 am

## Seven steps to a successful workers' compensation program

It is important to prioritize workplace safety and protocols in order to protect your employees and your financial assets no matter the type or size of employer. In this session we will provide some proven approaches to help your company develop a culture where all members of the organization take an active part in the workers' compensation program.

Option 1	June 8	10:00 am
Option 2	October 12	10:00 am
Option 3	November 9	2:00 pm

## Reducing your claims costs

Premium is a function of payroll, industry and claims costs. The only thing that you can actively control is the claims you have and the way you manage them. This session will explore cost containment methods for managing disability, return to work issues and ways to lower costs on your premium such as handicap reduction and claim settlement. We will also discuss the biggest cost saver of all: prevention.
